# Membership Options 2023 / 2024

As an AusAgritech **Visionary Member**, you'll receive exclusive benefits, such as early access to government engagements, tenders, and EOIs, enabling you to influence the industry's future. You'll also immerse yourself in a wealth of networking opportunities, with direct introductions to fellow members and Corporate Partners, and the chance to showcase your expertise through featured content in AusAgritech's newsletters, social media, and Slack. You'll gain priority access to exclusive programs, speaking engagements, and panel participation, alongside VIP event invitations and discounted tickets. Collaborate on joint grant applications, exercise voting rights at the Annual General Meeting, and receive premium support from the AusAgritech Team.

This membership is for agritech companies seeking early access, premium support, and robust engagement within the industry.

#### **Inclusions:**

- Share content via newsletter, social media, and slack
- Early access for government engagement, tenders, and EOIs
- Priority access to programs, speaking opportunities, and panel participation. Enjoy VIP invitations and free/discounted event tickets
- Collaborate on joint grant applications with AusAgritech
- Participate in the Annual General Meeting
- Make direct introductions to other members and Corporate Partners
- Connect with AusAgritech Team for personal assistance
- Join the Members Slack Channel & exclusive members' content on the website
- Get listed in the Members Directory
- Your logo featured on the Ecosystem Map
- Receive the Monthly Members Newsletter

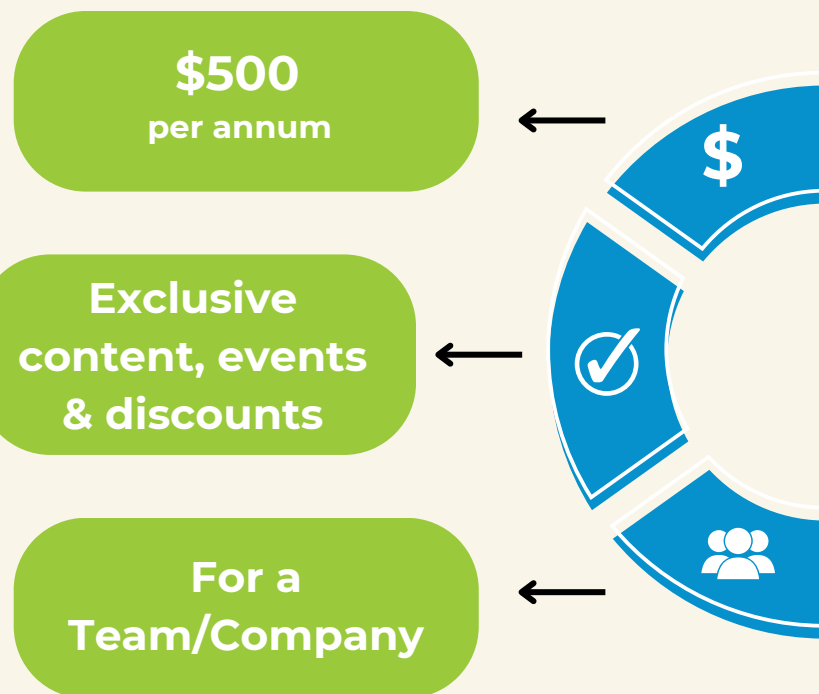

# I N N O V A T O R
